

MATRIX

54"

Trinity Wall
Pattern
Complements
Champagne
Pool Frame

The integration of demanding engineering specifications and finely sculpted product appearance result in a beautiful and flowing design around the top of the Matrix pool. These components follow the flow of the pool wall and work with the forces of the water to create a pool frame that has a true round form.

Creativity fueled by technology

- 6" Resin top ledge
- 6" Resin Uprights
- Yardmore Buttress Free Support System on Ovals
- Salt Water Compatible
- Oversized Corrosion-Free Foundation System
- Corrosion Protection on Pool Wall
- Snap-In, No Hardware Construction for Entire Frame
- Injection Molded Frame Creates Precision Fit of all Components
