- Exclusive Interlocking Injection-molded top and bottom system
- Snap together patented exclusive frame
- Easy set installation
- Snap-in, no hardware construction
- Space saver system for oval pools
 - enjoy your pool without losing your yard

Contoured resin top ledges are shaped in a sleek circular design, giving a perfect round form.

Resin "hour-glass" form gives the uprights and pool frame a beautiful and flowing design.

TRINITY wall pattern complements the champagne pool frame.

When it is hot outside, nothing beats wading in the cool waters of your above ground pool.

The **Resin Series** brings you innovative technology and incredible endurance that will win your heart as the ideal fusion of high technology and impeccable style. Resin injection molding is a revolutionary process that eliminates corrosion risks and guarantees long-term dependability. Transform your backyard into an everyday vacation.

Simplified assembly eliminates the need for metal fasteners and tools.

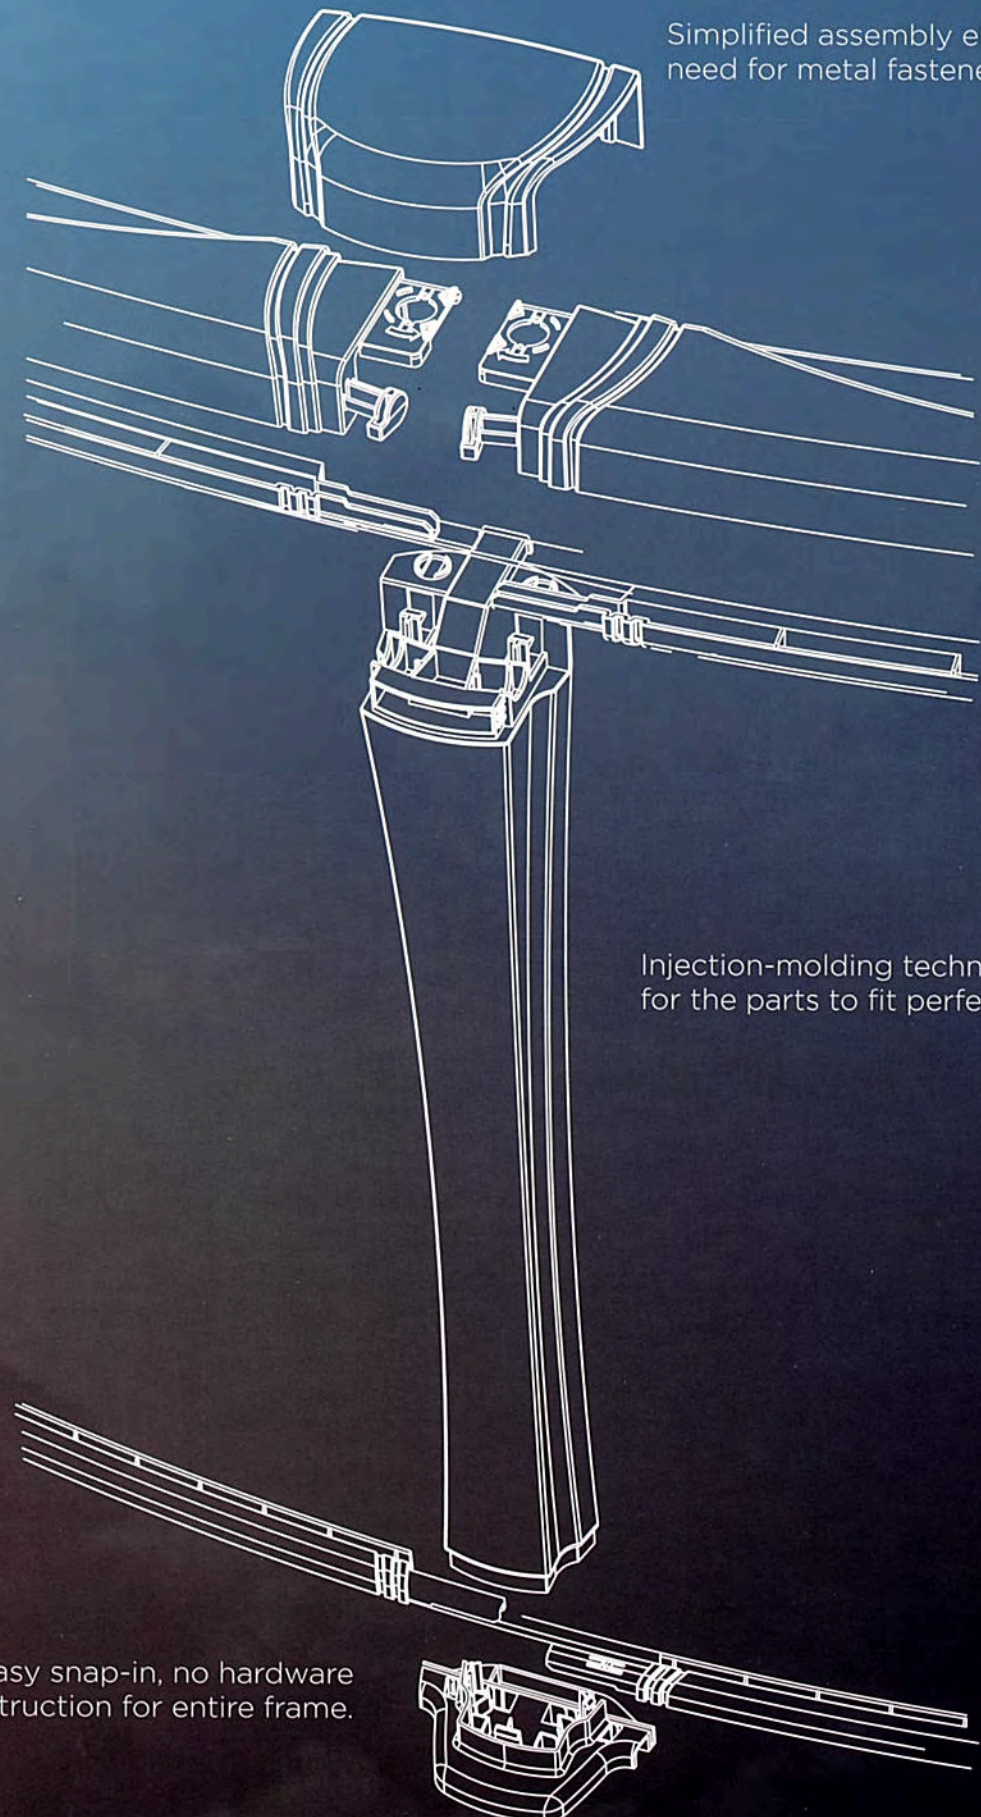

Injection-molding technology allows the parts to fit perfectly.

NAKOMA

Superior design complemented

Simplified assembly eliminates the need for metal fasteners and tools.

Injection-molding technology allows for the parts to fit perfectly.

Easy snap-in, no hardware construction for entire frame.
